Title: Math Hero
Genre: Casual, Indie
Developer:
Right Games
Publisher:
Right Games
Release Date: 13 Feb, 2018

English,Simplified Chinese,Traditional Chinese,Russian,Portuguese

Es un juego hueco, muy buena idea incluso te diviertes pero despues de un rato ya no hay mas, si le hubieran puesto una historia, mas niveles, jefes finales o buena musica facilmente haria historia. Es un juego hueco, muy buena idea incluso te diviertes pero despues de un rato ya no hay mas, si le hubieran puesto una historia, mas niveles, jefes finales o buena musica facilmente haria historia. Super cool game! I love it! Gameplay is easy - player can move with WASD. Aiming is automatic. To shoot you need to enter the right answer. You can dodge from enemy bullets with your WASD..
